ULSTER'S LEADER MAKES A DRAMATIC ENTRY TO BELFAST

**Invades Capital to Consult
With Compatriots on
Home Rule.**

SERIOUS TROUBLE IS FEARED

**Unlabeled Vaccine Headquarters, Pen-
ing a Raid: Picked Emergency Men
Serve as Guard of Honor for Sir
Edward Carson: Meets General.**

By Associated Press.
BELFAST, Ireland, March 20.—Sir Edward Carson, the leader of the Unionists of Ulster, made a dramatic entry into the capital of the province today. His purpose was to consult with other Ulster Unionist leaders and with the commander of the Ulster volunteer forces. The great activity at headquarters and in the army barracks has caused considerable excitement among the people of Belfast who for days past have been expecting some decisive move on the part of the Unionists or the government.

Before landing, Sir Edward Carson received on board the steamer Sir George Richardson, a retired lieutenant general of the British army, who is commander-in-chief of the Ulster Unionist forces, together with his chief officers. As the party came down the gang plank to the pier they were drawn up as a guard of honor by the emergency force of picked men of the Ulster Volunteers, who had been summoned to the Ulster Unionist headquarters last night. A big crowd gave them a noisy welcome.

During the night automobiles had been kept busy moving stores and documents from the Ulster Unionist headquarters, apparently fearing a raid by the police, who have been keeping a close watch. Precautions of a riotous character have been taken. Extra guards are on duty day and night.

In response to instructions from army headquarters, a detachment of 200 infantry arrived at Belfast today from the Curragh and another 500 from Mullingar. The garrison of Londonderry also was reinforced by 300 men from Mullingar and two companies arrived in Dublin bay. Besides, among the public in Belfast has become tense since yesterday's debate in parliament. Soon after his arrival here, Sir Edward Carson issued an appeal to his followers to preserve calm. The house occupied by Sir Edward Carson and the other Unionist leaders is guarded by Ulster Volunteers in full service, who are prepared to resist any attempt to execute warrants which might be issued by the authorities.

SHOE STRIKE RESUMED

Four Thousand Ohio Workers Refuse to Sign Peace Agreement.

By Associated Press.
PORTSMOUTH, O., March 20.—After an all night session of the joint council of the United Shoe Workers of America this morning a strike began in the factories operated by the city dress and shoe companies here. Approximately 1,000 employees are out.

The meeting of the council came as a result of the chairman's declaration of the workers' agreement between the employers and employees and the state industrial commission which resulted in a settlement of a recent strike affecting the same companies. The employers demanded that all employees sign a "no-strike agreement" for a period of six months or be discharged.

FEAR TROUBLE AT TRIAL

Court Squirrels Searched for Weapons When Mayor is Arraigned.

By Associated Press.
TERRE HAUTE, Ind., March 20.—Work of selecting a jury to try Mayor Charles R. Rife on charges of corrupting elections was begun when the circuit court convened here today. A special venire of 100 men had been summoned. Every person who enters the court room during the trial will be searched for weapons.

Court officials recently received threats that they would be killed unless the prosecution of the city officials was stopped, and two men are now held in the county jail under bonds of \$25,000 each on charges of conspiring to kill Judge Fortson.

STRIKERS WON'T LEAVE

Defy Order of Their Leader to Vacate Camp Near Mines.

By Associated Press.
COLLIER, W. Va., March 20.—Striking miners of the West Virginia & Pittsburgh Coal Company today refused to obey the order of James C. Rife, one of the leaders, and remove the camps established here, occupied by them since the strike began last September.

Cates, who for two days has been on trial in the United States District Court at Phillips for violating the injunction of Judge Easton, last night telephoned to the strikers to abandon their camps overlooking the coal company's property.

WEST SIDE MERCHANT IS FREED ON SERIOUS CHARGE

Jury Acquits Cusano of Alleged Attack on Mrs. Hahn; Croson Case With Jury.

Special to The Courier.

UNIONTOWN, March 20.—Ben Cusano, a merchant of the West Side, Connelville, was acquitted by a jury today when tried on serious charges preferred against him by Mrs. Amy Hahn, who occupies quarters over the Cusano store. Mrs. Hahn alleged that on the evening of January 14, Cusano entered her apartments and attacked her.

Cusano's defense was that he had been called upstairs by the woman to investigate some trouble with the plumbing, and that the charge against him was framed up. His attorney, John Dugan, Jr., scored the woman during his address to the jury. The jurymen were out only a few minutes in reaching their verdict of acquittal.

The fate of Frank Croson, charged with the murder of Henry Brooks more than a year ago, retired at 10:10 following Judge Umba's charge, which lasted more than an hour. David Kaiser who was tried on a charge of blamy professed by Mrs. Mary Loudermilk of Uniontown, mother of his second wife, was found guilty and sentenced to serve a year in the penitentiary. Kaiser was arrested by Constable J. W. Mitchell of Connelville in Potter county where he was working as a dishwasher, his second wife, who was Miss Mary Loudermilk, having discovered that he had married a woman in Camden, N. J., in 1905.

He admitted that he had been married to Miss Anna Neble, a school teacher of Williamstown, N. J., on November 25, 1905. One child was born to them but they separated after 13 months. He declared that he had met her later in Philadelphia when she told him she had secured a divorce. Acting upon her word, he said he came to Uniontown and thinking himself free to wed, married Miss Loudermilk. He said he was willing to live with her No. 2 and that she was willing, too.

KILLER SUIT FILED

Reserve Clause, Refusal of Original Inmate, Is Attacked.

By Associated Press.
GRAND RAPIDS, Mich., March 20.—The first legal shot of the baseball war of 1914 was fired here today by the Federal league in filing a petition with the United States District Court for the Western District of Michigan, asking for an injunction to restrain William J. Killifer, Jr., formerly catcher of the Philadelphia Nationals, from playing baseball with any other team than the Chicago Federals.

Killifer signed a three year contract with the Chicago Federals, but before he had played a game he was served with a restraining order by the Philadelphia club which held him legally to Philadelphia, and he joined his former team. The suit involves the legality of the reserve clause, long regarded as one of the outlaws of organized baseball. The suit was brought in the Western Michigan district because Killifer is a resident of Paw Paw, Mich.

April 3 was fixed as the date for the hearing on the question of a temporary injunction.

EARTH SWALLOWS MINERS.

Two Men Lost in 500 Foot Hard Coal

By Associated Press.
POTTSVILLE, Pa., March 20.—The earth opened up and swallowed two miners and a work shanty on the mountain side at the Kelley Run colliery at Shenandoah today and although large forces of men have been put to work both inside the mine and at the surface, no trace of men or building has been found.

They may have been dropped 500 feet or any portion of it and it may require weeks to learn their fate. A third man saved himself by grasping a steam pipe, and hanging on until help arrived.

SWITCH BILLS ON A FOREIGNER; ONE OF PAIR ARRESTED

Chief Rottler Nabs Berlin Man For Deceiving a Stranger.

GIVES BOGUS ROLL; KEEPS \$8

Police are Looking for Companion Who Disappeared After Confession Game Is Worked on Main Street; Told of Missing \$150 Is Used.

Chief of Police Rottler this morning arrested a Berlin man, who says he comes from Berlin, Somerset county, as one of the two men who had deceived a Bitter foreigner out of \$100 on Main street. His companion disappeared and the police are looking for him.

According to the story told by the Berlin man, his companion and his companion switched packages of money and instead of returning \$8 which they took from his pocketbook, gave him a \$1 bill wrapped in newspapers.

The game is an old one, the police say, and is seldom worked, because it has become notorious. The men are alleged to have seen the Bitter man get a \$10 bill changed. One of them presented him up the street and dropped a pocketbook which the Bitter man picked up. Later the pair accused the man and accused him of stealing the purse.

The pocketbook was returned, where the \$150 that was in it, demanded the two. Of course the foreigner from Bitter denied knowledge of it. He was searched and the \$8 found. The man grabbed the money and then apparently returned it. When the victim looked the second time he found just \$1 and some newspaper clippings. By the time the two had disappeared.

Chief Rottler was notified and quickly apprehended the prisoners, although the other man had disappeared. Information against the prisoner was made before Alderman Fred Munk.

GANG OF ROBBERS IS STILL ACTIVE; EVERSON RAIDED

Two Homes Near There Entered by Thieves During the Night.

WEDDING SUIT IN THE PLUNDER

Police Trying to Locate Band Which Has Been Terrorizing the Country Districts; Baltimore & Ohio Police Not a Thief at the Southern Here.

The gang of robbers that is believed to have been responsible for two robberies in the country districts east of here, continued their work last night when they entered two houses in and about Belton and got away with considerable money and clothing. The residence of Charles Cox, an employee of the White Rock Distillery, was entered some time during the night and thoroughly ransacked. When the family arose this morning they found a gold watch and chain, a gold bracelet, a gold ring, Mr. Cox's overcoat and \$24 in money gone. All of the missing articles were taken from the bedroom upstairs except the overcoat, which hung in the hall on the first floor.

William Landis, who resides just outside of Belton, reports that his house was entered some time during the night and his wedding suit stolen. He was married but a short time ago and he feels the loss of his nuptial garments very keenly.

The police believe that the same gang has been committing petty thefts for a week just past. Last Friday night, Klingensmith Brothers store at Morgan Street, the business at one time conducted by City Clerk A. H. H. was entered and \$39 in cash, three watches, and a quantity of leather and provisions taken. Bloodhounds failed to run down the gang.

On Sunday night the residence of Henry Olson, a blacksmith at Bridgeport, near Mount Pleasant, was robbed of two gold watches, a suit of clothes, an overcoat, and \$24 in money, most of which belonged to Frank Scott of Connelville, a son-in-law of Mr. Olson, who had spent the night at the house just before. Captain E. S. Russell of the Baltimore & Ohio special police, nabbed a witness at the house yesterday afternoon. Louis Kistler, a traveling salesman of Pittsburgh, deposited his handbag on the station platform near the west end of the station. A moment later John Lokertor, an Italian, came along and appropriated it, taking it into the foreman's room where he placed it under a seat. Captain Russell was notified by Kistler and they kept watch until 10:15 p.m. Lokertor then appeared while the handbag was in his hand. He was arrested and locked up to await a hearing before Alderman Fred Munk.

SPECTATOR ALARMED

Sees Smoke and Belongs Fire Department on Needless Chase.

Smoke issuing from a window in the rear of the Connelville Exchange building at the corner of Pittsburgh and Peach streets about 7:30 o'clock this morning caused a passerby to become alarmed at what he thought was a prospect of the old opera house being consumed by fire. Rushing excitedly to the fire alarm box on the opposite corner, he sent in an alarm.

When the fire truck responded a few minutes later, they found that employees of the Connelville Construction Company had taken an empty mortar box inside and built a small fire in an effort to thaw it. The men said that there was no necessity for sending in an alarm, as the mortar was not on fire.

They were watching the fire closely.

She has entirely recovered from an injury suffered while visiting her grandson, Omar Dunaway, at Pittsburgh last fall, when she fell down a flight of stairs. Except for a slight cold she is in the best of health.

The physician who attended Mrs. Dunaway at the time of her injury asserted that her arteries are in a splendid condition, such is would be expected of a woman of 95. He says that, unless a victim of serious illness, she should live to be 100.

SUNDAY SCHOOL WORKERS TO HOLD INSTITUTE NEXT WEEK

Important District Meeting Will Be Held in the United Presbyterian Church.

On next Tuesday evening an institute for the elementary and adult divisions of the various Sunday schools of this section will be held in the United Presbyterian Church. Four such meetings are planned for the county, the others being scheduled as follows: Uniontown, March 31, in the First Presbyterian Church; Brownsville, April 3, in the First Christian Church; and at Smithfield, April 4, in the First Presbyterian Church.

The elementary section will be under the direction of Miss Amy Jane Porter of Scottsdale, and the adult section under Lehigh Steen of Belton. These four institutes are intended to reach the workers of the elementary and adult divisions of every school in the county.

The one to be held here is particularly intended to reach the workers of the following districts: Connelville, District No. 2; Layton, District No. 4; Dawson, District No. 15; Dunbar, District No. 18; Mill Run, District No. 17; Indian Head, District No. 11; Ohioville, District No. 10; Belton, District No. 8, and parts of District No. 18. All officers and teachers in the elementary division, pastors, superintendents, officers and teachers of organized adult Bible classes, and county and district officers are urged to attend.

"The Relation of the Adult Division of the Young People's Society to the Sunday School," will be discussed by Lehigh Steen of Belton. Following this the program of service recently adopted by the state association for the organized adult Bible classes will be presented by B. S. Forstner of Dawson, and this to be followed by a conference on the adult division work.

MAY CHANGE TRAINS

Runners is Out that Nos. 9 and 10 Will Be Taken Off Here.

It is reported in West Virginia railroad circles that trains Nos. 9 and 10 are to be taken off the Connelville and Pittsburgh divisions and run by way of Gratton and Wheeling when the new timetable goes into effect in a few days. Officials here denied any knowledge of the matter. A year ago trains Nos. 7 and 8 were taken off the Wheeling division because of floods and proved such good revenue getters by way of Connelville and Pittsburgh that they were maintained.

It was generally believed here that Nos. 9 and 10, which have always run by way of Connelville and Pittsburgh, will be taken off. Train No. 9 goes west at 6:50 A. M. and No. 10 goes east at 11:50 P. M. Train No. 9 goes east at 3:40 A. M. and No. 10 goes west at 3:40 A. M.

The reason for the change is said to be the fact that too many Baltimore & Ohio's New York-Chicago trains are run by way of Pittsburgh, to the detriment of West Virginia service.

If it should happen that Nos. 9 and 10 are taken off, the night postoffice service would be seriously disarranged.

WILL OPEN MISSION.

Court Interpreter Adams of Uniontown to Conduct Work.

The Italian mission which has been under consideration by the religious societies of the various churches for some weeks past, will be opened Sunday in the Hart building on Highland avenue. The lease for the use of the building was signed this week.

Charles Adams, a court interpreter from Uniontown, will conduct Sunday school for the Italian residents on Sunday afternoon. Regular meetings will also be held on Friday of each week, and as the project develops it is hoped to be able to continue the work by conducting reading rooms and educational classes.

The merchants of Latrobe have evolved a new scheme to bring shoppers to their town. They will charter a West Penn car and run it over the Hecla-Latrobe line to bring buyers to Latrobe from Connelville.

One day will be selected, just before Easter, when everyone will be invited to board the special car and come into Latrobe to do their spring buying.

The Latrobe business men believe their plan is a good one to advertise the town along the new trolley extension.

The contract for remodeling the building in Uniontown occupied by the Wright-Meister Company has been awarded by Linkins & Hoggart the owners of the property. They have given the contract to Culbert Brothers of Pittsburgh.

The People's National Bank of Mount Pleasant, a trust company, has been acquired by Linkins & Hoggart the owners of the property. They have given the contract to Culbert Brothers of Pittsburgh.

COUNCIL READY TO MAKE FIRST MOVE FOR BOND ELECTION

Ordinance Calling a Vote at May Primary is Being Prepared.

LICENSE MEASURE IS AMENDED

Conference Decides on Changes Designed to Meet Objections Raised Against It; Measure to Be Given a Hearing Concerning Convention.

The first move toward calling an election to vote on the proposition of issuing \$100,000 in bonds likely to be made at tonight's session of City Council. The ordinance calling an election at the time of the primary, on May 19, is being prepared and will probably be ready for first reading. This was decided on at an informal conference of the councilmen which was held with City Solicitor E. C. Hirtz last night when other matters were discussed.

The councilmen believe the bond issue will carry. Superintendent John L. Gans of the department accounts and finance said today that several persons had suggested that \$150,000 be asked, instead of \$100,000, but there is no intention of increasing the original amount determined upon.

The councilmen will prepare a street improvement schedule, which will be made public before the bond election. Although it has been suggested that this might properly be deferred until after the election, members of council declared that they propose to deal frankly with the public at all times, and that the voters are entitled to know what is to be done with their money.

The revised license ordinance will be passed tonight. Several changes have been made as the result of the conference with business men earlier in the week. It is believed that the ordinance will prove generally satisfactory. No serious objections were raised at the meeting on Monday, but some changes were not believed to be equitable. It was to be expected that the conference was held last night.

The ordinance regulating the tearing up of streets will hardly be taken up as the councilmen did not have an opportunity to discuss it last night. Some modifications remain to be made to it.

The West Side Volunteer Fire Department will be represented at tonight's meeting when council is expected to take definite action regarding its attitude on convention matters. The decision was not made at the meeting on Monday, but some changes were not believed to be equitable. It was to be expected that the conference was held last night.

The ordinance regulating the tearing up of streets will hardly be taken up as the councilmen did not have an opportunity to discuss it last night. Some modifications remain to be made to it.

GOOD COPS SCARCE

Mayor is Unable to Find a Man to Fill Vacancy on Force.

The vacancy on the police force which, remained unfilled since Patrolmen Barnes and Francis resigned and only one of the positions taken by a new appointee, still exists because the mayor is unable to secure the kind of officer he wants. This leaves the force with but seven men, including Chief Rottler.

Of this number, two are on duty from 6 A. M. to 6 P. M., and one from noon to midnight. This leaves the entire East Side to be protected by two policemen from midnight to 6 A. M. and the West Side by one man in the same period. Chief Rottler is usually on duty from 8 A. M. to 9 P. M., though he has been on much lately recently. City Detective Eagan is on duty all the time.

COLD WEATHER WELCOME.

Maple Sugar Growers Say That It Means Better Output.

The cold weather that followed the mild spell of a few days was welcomed by the maple sugar growers of the county, who anticipated a short season had the warm spell continued for long. The sap has been flowing since January. On account of the hard winter there was little recovered.

Now that the cold snap has come the season will be extended. There is not much maple sugar made in Fayette county as most of the groves have been destroyed. Somerset continues to be an important producing center.

SCOTSDALE MEN IN ENTHUSIASTIC WAY FOR ASSOCIATION

Over 100 Leading Men, Alert and Active, For Completing Fund.

MINISTERS IN HEARTY ACCORD

Barquet Opens the Work to Fernie and Mainline Scottsdale's Y. M. C. A. Willing to Assist in Its Regular Mission of Helping the Boys.

Special to The Courier.
SCOTSDALE, March 20.—The inspiring message that the ministers of Scotland, now engaged in a steady and strenuous campaign of soliciting, welcome the men and boys saving work of the Young Men's Christian Association, starting to raise a fund for a new building. It was the first public view of the new building, and the place brought forth the most enthusiastic comments upon the building and its plans, and commendation of the vigorous and excellent work of the full-time building committee, and Secretary John A. Addison.

It was a great transition from a coke oven, perched on a hillside, which one of the most active members says was the start of the Young Men's Christian Association here, a quarter of a century ago to one of the most modern and suitable buildings for association work. This association has come up through many successive steps and in the new building everyone in Scotland has had a part, and feel that the building has the proprietary interest of one's individual efforts.

Chairman Robert P. Percy presided at the table where the executive committee sat, flanked by nine tables each holding the members of the soliciting teams of the three divisions. Robert Skemp, chairman of the Board of Directors, told of the work of the association past and present and the era that opens in the conversion of the young life of the town. Doctor Allen brought the message of the ministers and sought the help of the solicitors in handing on a Bill of the interest of the religious work. Dr. W. J. McMichael of Greensburg, concerned in the erection of the big building there, frankly expressed his surprise at the fine quarters of Scotland, and encouraged the teams in their work.

E. J. Hockenbury, state field secretary of the Young Men's Christian Association, here in charge of the campaign, told of many similar ones, and warned the members that the systematic plan had been handled in the best premises places would likely make the team members here wonder when it is all over, why they had a member come at all. He then presented a vote of thanks to the ladies for the elegant supper which had been awarded, and Mr. Hockenbury turned the thanks into three cheers which the men gave at the top of their voices.

The soliciting team were distributed from table to table and the members of the teams selected names of prospective donors. No soliciting will be done to-day except that each team member solicits himself. At 5:30 this evening supper will be served and Saturday starts the work.

Enthusiasm and activity covered every minute of the time from 5:30 when Rev. C. J. Hockenbury, pastor of the Christian Church and one of the team members sold grace, until 9:30 when he dismissed the dinner with a word of prayer. Members inspected, and praised the building after that until nearly 11 o'clock.

Musical talk, music and games accompanied the evening's entertainment, and Mrs. Evans beside good wishes received many pretty gifts.

The following were present: Mrs. George Dodge and daughter, Nabel, of Pennsylvania; Mrs. John Hunkin and Mrs. S. B. Cunningham of East Scotland; Mrs. Emory

"I sent for samples and after the first application the itching and inflammation was improved, and I kept it up night and morning, and by the time the sample was gone she complained very little, so I got a fifty-cent jar, and before that was half gone the trouble had entirely disappeared."

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets. These pleasant little tablets do the good that calomel does but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the bowels and quickly convert it into a healthy state.

Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to risk calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that nagging feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lumpy" and "heavy." Note how they loosen, cleanse the brain and how they "perk up" the spirits. At 10c and 25c per box. The Olive Tablet Company, Columbus, O. All druggists.—Adv.

THE TRUTH ABOUT OLIVE OIL

Spout arrangement fully patented

Canned at the place of production in Italy

There are a number of "Pure" Olive Oils on the market to-day. All the pure olive oils, however, are not First Quality olive oils! Simply to know that you are buying an olive oil marked "pure" is not enough. The fact that an olive oil is pure does not necessarily imply that it is fit for human consumption. There are several different grades of olive oils, regardless of their purity. There is but one grade of olive oil that should ever be used for table use or for medicinal purposes; that is the first pressing of hand picked, carefully selected olives.

When you buy a can of OLIVESE you secure the HIGHEST GRADE Olive Oil that can be had at any price.

HITS IS OPENING DAY at the store of distinctive fashions. The new fashions reign triumphantly at the Big Store today. All the departments, from the new wall paper department, 3rd floor, to men's and women's furnishings on the main floor, are gay and bright with freshness and fascination of the new. All through this store one breathes in the refreshing atmosphere of spring and is impelled to unrestrained delight at the sight of what is conceded to be the largest, most exclusive and fashionable collection of apparel ever shown in Connelville.

Women of fashion who have visited larger cities proclaim this display a most complete exposition of all that fashion has endorsed for women of cultured taste.

Sore Throat Don'ts.

When the children have sore throat, don't blister their necks with lamp oil. Don't torture them with a foul smelling piece of fat meat, wrapped about the neck. Don't imagine there is medical virtue in an old sock or piece of red flannel. Don't believe in antiquated superstitions.

A sore throat is a serious matter and is not to be treated by such make-believe remedies. The use of such methods is simply putting the patient to needless torture. Use a little sore throat wisdom and give them TONSILINE and the throat will heal quickly. 25 cents and 50 cents. Hospital size \$1.00. All Druggists.

Along with dyspepsia comes nervousness, sleeplessness and general ill health. Why? Because a disordered stomach does not permit the food to be assimilated and carried to the blood. On the other hand, the blood is charged with poisons which come from this disordered digestion. In turn, the poisons affect the nerves and the system, and see those symptoms of nervous breakdown. It is not head work that does it, but poor stomach work. With poor thin blood the body is not protected against the attack of grip, bronchitis—consumption. Fortify the body now with

MOUNT PLEASANT

MOUNT PLEASANT, March 20.—The W. C. T. U. Institute held in the Methodist Episcopal Church at Tarr yesterday was attended by representative members from Mount Pleasant, Altoona, Scottsdale and Tarr.

The subject, "Why My Department is the most important," was discussed by Mrs. Lucy Poole of Scottsdale, who spoke of legislation and press work. Mrs. D. H. Stoner of Mount Pleasant, spoke of flower mission work, and Mrs. L. E. Huthers spoke of work among the foreign people.

HYOMEL RELIEVES IN FIVE MINUTES

YOU BREATHE IT.

If your head is all stuffed up from a cold or catarrh, or you suffer with dull headaches and seem lacking in vitality, or are constantly sniffling and coughing, you need a remedy that will give the quickest, most effective and lasting relief possible—something that will go right to the spot, clear the head and throat and end your misery.

Surely use Hyomel—all druggists sell it. It is just such a remedy, and is entirely harmless and pleasant to use—you breathe it—no stomach dosing.

The antiseptic oils of Hyomel mix with the air you breathe—its penetrating medication immediately reaches the sore and inflamed mucous membrane—you feel better in five minutes. It is practically impossible to use Hyomel and not only be relieved but permanently benefited.

Mr. and Mrs. Charles Mullin and their guests, Mr. and Mrs. St. Clair of Kansas City, went to Uniontown yesterday to spend the week end with friends.

MOST SICKNESS COMES FROM WEAK, INACTIVE KIDNEYS

Recent Reports Show Hundreds Suffer With Kidney Troubles and Don't Know It.

There are scores of nervous, tired, run-down people throughout the country, suffering with pain in the back and sides, dizzy spells, weakness of the bladder, (frequently causing annoyance at night) who fail to realize the seriousness of their troubles, and so such conditions as chronic rheumatism, bladder troubles, drops, diabetes or even bright's disease result.

All this is due to weak, inactive kidneys. The kidneys are the filters of the blood, and no one can be well and healthy unless the kidneys work properly. It is even more important that the kidneys more regularly.

If you suffer with such symptoms don't neglect yourself another day and run the risk of serious complications. Secure an original package of the new discovery, Croxone, a white, crystalline powder, which costs but a trifle, and commences its

use at once. When you have taken a few doses, you will be surprised how differently you will feel.

Croxone overcomes the worst cases of kidney, bladder trouble, and rheumatism, because it removes the cause. It clears out the kidneys, and makes them get rid of all the poisonous waste matter and uric acid, that lodge in the joints and muscles, causing rheumatism; soothes and heals the bladder, and quickly relieves you of all your misery.

You will find Croxone different from all other remedies. There is nothing else on earth like it. It makes you feel better as you are or how long you have suffered. It is so prepared that it is practically impossible to take it into the human system without results.

You can secure an original package of Croxone from any first class druggist. All druggists are authorized to personally return the purchase price to you if it fails to give the desired results the very first time you use it.—Adv.
